- **Fresh water:** 35 US gal
- **Black water holding tank:** 35 US gal
- **Fuel Range:** 150-175 US gal
- **Accommodation:** Head & galley
- **Electrical:** 12V DC electrical system
- **Outboard Range:** 350hp - 425hp
- **Steering:** SeaStar EPS electronic steering

FIRST IN CATAMARANS

Our legacy of custom aluminum catamarans began in the 1990s and has evolved into a tradition of boats uniquely designed for adventure. We combine our multi-hull experience with the distinct requirements of each owner to construct a custom vessel tailored to perform its purpose. Join our heritage of innovation with a new Armstrong catamaran.
